

Press Conference on Telecentre April 26, 2004 - II

Mrs. Adriana Țicău presenting the awards to the representatives of the four operators (Connex, Orange, RaRtel, Romtelecom) and to Microsoft that has provided the desktop application software for all the computers in the centres.

The mayors of the communes received their awards from Mr. Rodger Garner.

The press conference ended with questions from the press. The press showed a lot of interest in talking to MCTI and USAID as well as to the mayors and the representatives of the operators.

The mayor of Iana surrounded by the press, eager to share his experience of the telecentre
